We Build

1. Marshall Henry, who is with the American Tobacco, recently moved to Chester and was our guest June 5th. The odds-makers are betting that Frank Blankwell will have him signed up before the week is over.
2. We approved a way to cover the cost of the first meal for prospective members, so bring them along if you think they are interested in building a better community.
3. Please feed your ideas on how to make money to Adolph Urban and ideas on youth and community projects to Tom Jacobs so they can prime the committee with ideas.
4. Ben Stabley is our Program Chairman and promises some real interesting programs. He plans to review his ideas with us Monday night so be prepared to tell him what you would like on the program. Ben wants to have the programs run like clockwork, so please see or call him and book time on the agenda for your committee reports, announcements, and so forth.
5. Remember there will be a follow-up cake sale on Saturday in front of the Safeway.
6. All Committee chairman are urged to review their responsibilities and to start planning a course of action for the balance of the year. The membership is asked to think of some type of project that we can become involved with in the community and to please inform Adolph Urban as soon as possible.
7. President Joe wishes to thank everyone who worked so hard to make Charter Night the success it was.

Newsletter

We Build

1. Welcome to our newest member, Marshall Henry.
2. Those of you who missed this weeks meeting missed a real fine program. Sgt. Pond, who was named the nation's number one police officer in 1970, gave an excellent presentation with his display of drugs.
3. Ben Stabley needs to know what you want for a program, so please give him a call and pass on your ideas.
4. Happy Fathers Day to all you hard working dads.
5. Good luck to President Joe, who leaves Friday for the National Convention in Atlantic City. He has to stay out of trouble, as Susanne is going along to chaperon him.
6. Call Jack Ullom at 748-4200 if you can help windup the cake sale on Friday or Saturday.
7. The Board meeting will be held the fourth Monday this month. We encourage the members to serve themselves and be at their tables by no later than 6:30 so we can start the meeting promptly.
8. Prospective members who could be contacted are, Hal Copenhaver, Jene Anderson, Bill Stansbery and Cortlandt (Speed) Joyner.

WE BUILD

1. All Committee Chairmen are being sent reporting forms along with this bulletin. Please return the completed forms to the Secretary prior to July 4, 1972.
2. Enclosed is a list of current members and committee assignments. Please call Tom Jacobs if you have any questions or changes on committee assignments.
3. Thanks to all those who helped make our first project - the cake sale - a success. We put about \$125.00 profit in the treasury.
4. Ben Stabley is doing a fine job on programs for our meetings. Those who were not able to make it this week missed a fine address by Rev. Harold Ragen on how we should give youth a purpose and challenge that will provide an outlet for their energy in excess time.
5. The Board Meeting is scheduled for next Monday, the 26th, after the dinner meeting. Committee chairmen are requested to give a Committee report at the Board Meeting, if possible.
6. Program Chairman Ben says that next week's program will be all musical and we'll learn some songs from the Kiwanis songbook.

We Build

Adolph Urban encourages each of the members to go to the Colonial Heights Kiwanis Club fireworks display on July 4th at the Colonial Heights football field. The Board of Directors of our Chapter is considering this type of community project for next year. It would be beneficial for our members to get some ideas from the Colonial Heights Club.

There will be a meeting on Monday, July 3rd, as it is compulsory that we meet regularly. The speaker for this meeting will be Lt. Governor Hank Mann, who will be talking on patriotism. The dress for these summer meetings will be casual.

Don't forget the clothing and food pick-up for the flood victims. Please bring all items to the Chester News Journal Office next to the Fire House. We will try to get these goods to the people of Scottsville and Howardsville. Many thanks to Ben Stabley for his efforts in organizing Operation Flood Relief.

We are looking for someone to construct a trunk for us to keep our banner, charter, bell, flag and podium in - to be under lock. Please let President Joe know if there are any ideas along this line.

Everyone who does not have a Kiwanis sticker for his car window, please contact the Secretary. Put them on your car - they are good publicity.

Thanks to Gary Fisher for guiding us through our first fund raising project and earning the Club \$200.00 for the cake sale.

Please try to attend our District Convention in Baltimore on August 24th - 27th. This affords us a real opportunity to learn about Kiwanis and youth functions and to have good fellowship.

The Board voted to drop Ed Fitzgerald and John Jenkins from the roster. Also, the Board voted to follow through with four programs recommended by the Citizenship Committee:

1. Blind Corner Clean-up
2. Dangerous Nuisance Clean-up
3. Beautification and Clean-up
4. Voter Registration

Good Job Buz!

Gary Fisher will be our new Youth Services Chairman and Pete ^Swissbick will be our official photographer.

Has anyone bothered to call any of the new prospects listed in the last Bulletin. We're missing a good opportunity, if not. Please contact these men and add Julian Beazley and Gary Sovine to the list of prospects.

Many thanks to the Bulletin Committee for doing such a good job. President Joe has volunteered to buy one cake each for Rob's wonderful girls who are doing such a great job.
