Attendance for September 11th -- 17 present. BAD! We had three guests: Joe Dotson, Hidden Valley, guest of Joe Schott; Lacy Gray, Weybridge Road, Guest of Gary Fisher; and Tommy Volker, Winfree Street, guest of Joe Hillier.

Many thanks to Tom Bonsall who paid \$25.00 of our Chesterfield County Fair Booth fee. What else can we say but thanks to Victor Lynn for his outstanding contribution in making our first County Fair venture a big success. Victor, besides being a super candy salesman, put in countless hours in making arrangements, procuring materials and supplies for the booth, and transporting the candy and literature to the Fair. This man knows the spirit of Kiwanis. Also, thanks are in order to the other 21 members who helped out at the Fair. Twelve cases of candy were sold there for a profit of \$90.00 after all expenses. We have given five cases each to the Key and Keyette Clubs. They will repay us our costs and keep the profits. This leaves nine cases to be sold by the end of the month by us.

Rob Elliott has contributed \$10.00 towards the purchase of our two road signs. Thanks, Rob.

Let's have a good attendance Sunday morning at St. John's Episcopal Church. This is a good opportunity to let part of the community see that we have a meaningful organization.

As many of you know, we have an opportunity to switch our place of meeting to the Holiday Inn in Chester. The hitch is that it will only be available to us on Wednesday evenings. The cost will be \$2.75 each. Mr. Bob Childress has promised us good food. Bob is a honest man and is really trying to help the Club in this matter. This is a \$1.00 cheaper than the other clubs which use the Holiday Inn. In essence, the switch will be going to another meeting night and paying \$.25 additional for our meals. We will vote on this at our next regular meeting. If you cannot attend, call Guy Smith if you wish to voice your opinion on this matter.

Don't forget our trip to West Point on the 26th of this month. Good food, an excellent speaker, good fellowship, and an opportunity to make up a meeting. Call John Williams if you plan to attend, and don't forget to bring your wife.
