ANNOUNCEMENTS & COMMENTS

FRANK BLACKWELL is resting comfortably in the Petersburg General Hospital after being admitted Tuesday for some chest pains. Burnell Blackwell told the writer that the doctor thought an attack had been averted. Our best wishes to Frank for a speedy recovery.

WEST POINT CRAB FEAST will be Tuesday, Aug. 19 at the West Point Country Club. An awfully fine afternoon if you like crabs and beer.

BYRON PRICE has completed a very commendable year as President of the Civic Association. One has but to visit the community center to see the new paint, driveway division, paneling, air conditioning, new bathrooms, rheostated lighting and the initial work on rebuilding the kitchen to know the hours and thought that Byron has poured into this much needed center for the Chester area.
HAT'S OFF TO OUR FELLOW KIWANIAN, BYRON.

CAPITAL DISTRICT CONVENTION will be Aug. 21-24th at the John Marshall Hotel in Richmond- a great opportunity for our membership to attend a close District convention. See the

attached sheet for registration and convention highlights. Saturday, Aug. 23 will be the big day, The fellowship luncheon usually has an outstanding speaker and the spirit of Kiwanis is really in evidence at this occasion. All members, committee chairmen, and officers/directors...you have the dates well in advance...the convention is close to us...YOU HAVE BUT TO SAY YES.

TRAVELOGUE SALES aren't much so far. Gordon Peoples and others have gotten 11 patrons for our programs which more than offsets the cost of printing programs and tickets. Don Swift has ordered all advertising material. Phil Collier has had the tickets printed and these were distributed to the membership on Wednesday. The membership has been divided into the DOORBANGERS AND THE STREETPOUNDERS. "DOC" Hillier leads the pack in what few tickets have been sold to date...LET'S HIT THE STREETS...WE HAVE A GREAT YEAR AHEAD. WHETHER WE SUCCEED WILL DEPEND ON EACH AND EVERY MEMBER....WHO MUST DO HIS PART IN SELLING TRAVELOGUE TICKETS.
