Announcements

SPRING FLING - A total of 92 paying Kiwanians and wives had all the Bar-B-Que they could eat plus beer, live music and beautiful sunny afternoon. It turned out to be a non-profit event, but everyone had a good time. Chairman Bellemore thanked the members for their help, and YES, Joe cut the grass again this year.

VOLKSMARSCH - About 310 walkers showed up on Sat. & Sun, May 10 & 11. Bruce had everything and everyone keyed in to make it a success. Financial report not ready at this printing, but Bruce will probably have something for us on Wednesday. Probably a profit maker with lots of future potential.
