PRESIDENT'S VIEW

We are now faced with the thought that ready or not the year is nearly over. The recent mild sunny days make this harder to accept. Thanksgiving Day flew by so quickly that we hardly remember the family gatherings, the perfect meal and maybe the reasons for giving thanks.

As we near the Christmas season with our parties, celebrations and gift-giving, we should take the time to reflect on the meaning of Christmas, particularly within the context of the Kiwanis Club of Chester. We have money for which we have worked hard. We will proudly give it back to the community. We can be pleased with our monetary benevolences. We have other opportunities to serve our community which are harder, physically and mentally, to accomplish. Two of these are the Detention Home on Dec. 27 and the Nursing Home Christmas Party on Dec. 21. I cannot imagine two more worthwhile causes. These youth are temporarily detained, often because they are not old enough to throw into jail. They have parents who cannot control them or who are missing and they have friends who agree with and encourage their current way of life. And in contrast are the aged, most of whom will live out their lives at the nursing home. Some have children or relatives who cannot or will not care for them; others have no one. They may have friends who prefer to remember them as they were or friends who share their despair. I cannot think of two causes more worthy of your personal gift - a few hours of your time. No one can bear the responsibility of doing this by himself. But there is strength in numbers. I am asking you to participate in at least one of these projects in December. This truly is a gift that will be appreciated.

Merry Christmas to you and your families.

Phil
