A KIWANIS CONCERN

## PRESIDENT'S VIEW

December 17, 1988

Christmas and New Years are upon us. It is probably a good time to reflect on the year just passed. You know our work with the Key Club, Keyettes, Detention home, the aged, Special Olympics, Mentally Handicapped, etc. We can look back with pride on our accomplishments. Our activities have made a difference.

The Christmas season is a time to review, renew, and strengthen our commitment to the Judeo-Christian ethic. Perhaps best illustrated by the "golden rule" in our treatment of others as we would like to be treated. May the spirit of the season enrich your lives. Joy and success in the new year.

RUSS

A wink of his eye and a twist of his head  
soon gave me to know I had nothing to dread  
He reached in his tunic and pulled out a long list  
A list of gifts for the men of Chester Kiwanis.

Lindy Beggs has too much time on his hands,  
For him a load of lumber and some building plans.  
I know just what Joe Bellemore would like,  
A shiney, new, red Harley-Davidson Bike.

Dr. and Mrs. Bill Bowles' honeymoon was sheer joy,  
We will end all of that with a bouncing baby boy!  
Gary Burleigh seems to travel a lot of late,  
I'll give him a big motor home to travel the state.

If Greg Barnes' computer crashes, he will cuss,  
But I'll solve that by giving him a Chinese abacus.  
Mike Cifelli got rid of his old kidney stones,  
For Mike, a golf cart with TV, bar, and telephone.

Jim Cole for a good subdivision land has the hots,  
Here is a deed for 100 prime waterfront lots.  
Phil Collier's hidden talent has been kept in the dark,  
He gets a pool table, so he can practice being a shark.

**YOGURT Folklore:** Since Biblical days, yogurt has been known as a longevity-promoting food. Abraham is said to have had the secrets of yogurt revealed by an angel.

**Facts:** Yogurt's abilities to help control gastrointestinal infections are well documented. Scientists, in fact, have discovered seven natural antibiotics in yogurt made from various bacterial cultures. The acidophilus culture, found in sweet acidophilus milk in this country and occasionally in yogurt, has been shown to help neutralize cancer-causing agents in human colons.

Oh, Bethlehem Star —  
 you shine so bright  
 Upon a World sore-wracked with pain,  
 Pour out your message now, tonight  
 And let the World take heed again.  
 Proclaim the re-birth of the One  
 Who can, alone, make all things right  
 Let Nations know there has begun  
 An era new, this Holy Night.  
 Oh, Christ Child, let your advent be  
 The start of friendliness and peace;  
 Let swords to ploughshares once more be  
 Returned, and wars forever cease.  
 Let us before the Manger stand  
 In gentle reverence, awe and need,  
 And let forever, hearts of all  
 Be filled with love instead of grudge.

Mary Lavinia Silvia

 With quick wit and dry humor, your President Brown,  
 the gift is quite easy, the best club in the town.

He read not another word but went straight to his work,  
 And filled all the stockings; then turned with a jerk,  
 For behind him stood Hillier and Collier to the right,  
 "Hi there stranger .... whacha doing Wednesday nights?"
