PRESIDENT'S VIEW

June 9, 1989

We are moving into the summer season when our attendance is often hurt by vacations and other summer activities. Your attendance during the summer months will be especially helpful to the club.

Many members missed the announcement (Memorial Day weekend) of the death of Dick Goyne's father. He had retired from the Chevrolet business, but he, like his father was a long time Chester booster and civic leader. Newer members may not realize there is a Kiwanis Shelter in Goyne Park. We have made a donation to the Chester YMCA in his honor.

Buck, Bill and helpers pulled off another great Spring Fling. A couple of members gave not turned in their sales receipts yet, but we have already gone over our budgeted goal. With money in the bank, now, we will proceed with our planned \$1000 donation to the YMCA, our \$1000 sustaining membership in the YMCA and our annual \$1000 donation to the Bensley-Bermuda Rescue Squad. (Larry Marshall has reported awarding our annual Scholarships at Bird and Dale). The effort of all Kiwanians makes this possible. Pat yourself on the back for what you have done.

PROGRAM

The planned program for June 14th has been canceled. That program will be replaced by the Bensley-Bermuda Rescue Squad. If the

GOLF TOURNAMENT - JUNE 10

By the time you read this, the second (or is it the third?) annual Chester Kiwanis Golf Tournament will be history. A special thanks to Larry Marshall and his committee who have spent many long hours planning this event. Assuming we can find a golf course, let's do it again next year!

SPIRITUAL AIMS

Let me be a channel, Lord,
Through which Your love can flow.
Where I find darkness, let me bring
A warm and hopeful glow.
Help me, Lord, bring faith and trust
Where I find misbelief,
And let me wipe the tears that come
with sorrow, hurt, and grief.
Help me find the way, Lord,
To find new channels, too,
Through which Your love can flow until
The world is one with You!

program is good, we will give them the \$1000 check. How is that for incentive?

SPECIAL MEETING

June 21st. This will be the Crewe Chicken Festival and we will loose many members to Crewe that night. However, we do ~~not~~ have a super program program (US-German Relations) planned and your support will be appreciated. We will have Charcoal Broiled Steaks and all of the trimmings, so our numbers may be down, but the quality will be up. Try and attend if you can.

MEMBERSHIP

The board has approved the membership applications that we have on hand. Look for some new faces

This newsletter contains references to many things that we, as Kiwaninas can be very proud of ... a successful Fling, donations, scholarships and the like. Why not share this pride with others? It is this feeling of accomplishment and community spirit that Kiwanis is all about. Now is the time to look around you, a friend, neighbor, or fellow worker, someone to share this pride. Building is a full time responsibility of every member. We may build two brand new clubs this year. Why is it so hard to add to our own membership?
 ... a past governor.

Lt. Gov Earl Smith is working on the development of a new club in the Mayfield area. If you are like me and don't know the area, it is a highly business area out Midlothian r Turnpike. The idea is to develop a noon club. All clubs within 10 miles are evening clubs. We have voted to sponsor this club, if such a club can be developed.

MIDLOTHIAN CHARTER NIGHT

Your support of the Midlothian Club is needed. If you can attend their charter night on the 15th of June, please do so. Byron Price has the details if you have missed them. It is at the Sheraton on Midlothian Turnpike and a all the Kiwanis brass will be there (Governors past and present, Lt. Governors, and Presidents, etc). Even if your wife cannot attend, please consider attending this important event. So far only five couples have signed up. We can do better!

KEY CLUB AND KEYETTES

The Key Club and Keyettes are winding down very successful years. Thank Marshall Henry and Irvin Owings for the great job they do with these youngsters. Jay Slagle has done a great job with the Terrific Kids program. Can we expand this to four schools next year? We can if we can just get some volunteers to go pass out awards once or twice a month. We have one volunteer and need more. At curtis, this is an hour and a half starting at 1PM on Fridays. Very rewarding an an activity you will be proud you did.
