

The KIWANIS CLUB

Monthly Letter of the Kiwanis Club of Chester, Va. Inc. - Organized March 29, 1972

Meeting at 6:30 P.M. Every Wednesday

PRESIDENT'S VIEW

16 May 1990

One week ago today I was at Buxton in the hot sun 'burning' with Bill Koogler, Rex, Dick, Russ, Buck, Irvin, Lynn, Phil Collier, Bob, and Dayton getting set up for the FLING. The membership was busy parking cars, taking tickets, pouring cokes, making our guests feel welcome, and praying the rain would hold off until 8 P.M.

Dick Morse and I returned the tables and chairs to the community center Wednesday evening. I returned the officers' tent to the Defense Depot in Thursday morning rain while Al, Bill and Rex loaded the lumber. Later Thursday Russ and I picked up and returned the Morriss Funeral Home tent after Mother nature had taken it down.

Super thanks to Lynn, Bill, and Buck for getting it together one more time!!!!

Change topics----to the reality of my and the board of directors change to our meeting time and content. I want to have a KIWANIS meeting to which you will be proud to invite a guest for fellowship in the form of a meal together. We now have a caterer from Denny's who is willing to work with us on menus and prices.

Did I and the board act too nastily? Will the club survive without the meal format? The summer has traditionally been a 'tough time' with low meal participation which depleted our administration account.

Although the board has acted I still want every members input on this primary issue this week. My office number is 275-3234. I want to hear from you on this matter to assure myself that the entire club is heard.

Thanks, Dave

SPIRITUAL THOUGHT

Something of God

Something of God pours into me
from the blue of the sky above
from the song of a bird,
the red of the rose,
the touch of the hand I love.

Something of God pours into me
from the ocean's tidal roar
as I stand alone
on the windswept sand
and watch the sea gull soar.

Something of God pours into me
from the mountains capped with snow,
from the pine trees
swaying gently
as the summer breezes blow.

There's something of God in everything,
and in everyone we see,
I pray for the grace
to see Him in others
and hope they will see Him in me.

Leah Zink

Our thoughts and prayers go out to the Schlimme family for the loss of their son Todd. In the hearts and minds of his school mates, friends, neighbors and family, he will not be forgotten.

SPRING FLING WRAP-UP

How did we do? Well, we won't know until everyone turns in their money, will we? The bill collectors have requested that all unused tickets and money be turned in no later than the board meeting on June 6, and preferably on the meeting night of May 23.

As we all know by now, it was the "Perfect" Fling ... not too hot ...not too cold. The rain was perfect, holding off, then letting go just enough to chase away the last few stragglers. No cars were pulled from the mud, the band played all the way to the end, and the beer did not run out. Nearly all the membership turned out to help. And there weren't any politicians!

What more can you ask for? Even without the finances, it was the best one yet!

---+---

Even the follow-up Fling-Flung Party at Buck Porter's was perfect. There was some pizza left ... but not much. There was more than enough beer. Although the water looked inviting... no one went in. Thanks again to Buck and Shelby for sharing their home with us.
