

The KIWANIS-O-GRAM

Monthly Letter of the Kiwanis Club of Chester, Va. Inc. - Organized March 29, 1972

Meeting at 6:30 P.M. Every Wednesday

PRESIDENT'S VIEW

August 8, 1990

The Capital District Convention at Hagerstown will happen Aug 16-19. I plan to attend and hope I'll see you.

Because of the loud applause ending the August 1 meeting and because my employer cancelled my business travel I find that I will be available to conduct the remaining weekly meetings.

KIWANIANS I hope you have enjoyed this year. We have had success in our endeavors to improve our community and help others. The fellowship has been warm and I hope that each of you has enjoyed the experience as much as I have. I thank all who have opened their homes to host club functions.

We have two more fellowship events, the Pristine Mist dinner meeting cruise on Aug 29 and the Induction nite dinner on Sep 26. I would like to make it possible for our members with young children to attend either or both of these events by subsidizing a sitter service.

Let me know if I'm off base, or what we might do to enable these parents a fuller club fellowship.

Thanks,
DAVE

BOARD NOTES

The August Board meeting was the first meeting to be held back at the Holiday Inn since the renovation of the conference rooms in 1985. Members were awed by the cloth napkins, apple pie, salad, and fresh-baked buns. While Russ (who will not eat seafood) was not happy with the entre, most everyone was pleased with the atmosphere and the quality of food. Phil is certain that same can of green beans is back there somewhere.

Byron reported the details of our arrangement. A contract is made for each meal, we need to specify how many to guarantee by Monday morning. 22 members attended, 4 did not eat.

Lance brought a guest, Darryl Slaughter, who also works at ICI in Hopewell as a Process Engineer. Darryl graduated from Tech as did Lance, and hails from "God's Country" somewhere west of Roanok.

Joe Hillier reported that the site next to Decks, Inc., targeted as the Club's Beautification Project centerpiece, was sold by the highway department to be used as a parking lot. Several alternate sites were suggested, however, none hold the central appeal of the Decks site. Joe also reported some resistance to the tree plantings by those property owners who intend to sell their homes. The committee is

determined to meet the planting schedule of mid October. One can't help wonder how VDOT came up \$120 K for a beautification project around Midlothian. The planners promised us five lanes of black-top and that's exactly what we got. As my seven year old says ... GROSS.

We are still committed to give \$1000 to the Bensley-Bermuda Rescue Squad and \$2000 to our scholarship recipients when they register this fall.
