MONTE CARLO

A SUCCESS

Once again the annual Monte Carlo Night was a tremendous success. Thanks to Rick Dodson for heading up the project, Phil Redman for taking care of the food and Dick Goyne for collecting prizes. A special thanks to all the Kiwanians who braved weather and snow to come and help set up, run Monte Carlo Night and clean up. It is everyone pulling together that makes events such as this fun and a worthwhile event. Final totals on the amount raised has not been tabulated but we can rest assured that we will be able to do much for the community with what was earned. Again a well deserved thank you to all.

MORE GREAT PROGRAMS

Another "Thank You" to the program committee on the excellent programs. Capt. Marty Moyhan presented a great program on the USS Eagle and the US Coast Guard. It made us all want to leave our jobs and set sail for far and exotic places. Also the program by James Blankenship on City Point during the War for Southern Independence was excellent. Few in the audience came close to realizing that City Point was one of the worlds busiest ports during 1864-1865.

Continuing our fine programs will be Mrs. Connie Goodwin on March 3rd, 1993. She will be speaking on Children and AIDS.

SPRING FLING

Tickets for Spring Fling are now available. Last year we sold completely out of tickets. So get your tickets early. Since there is always a demand for tickets please take those that you are going to sell. Pat Patterson will be handling tickets at the next few meetings. Please see him for the tickets

BACK TO THE HOLIDAY INN

The March 3rd meeting will return to the newly renovated Holiday Inn. It will be at the same time as usual. Following the meeting will be the monthly Board Meeting. We are hoping to see everyone there for the grand reopening. The big question that remains will the meals be renovated also.

Congratulations

Congratulations to Bill Bowles and his wife Rachel on the upcoming birth of a new family member.

WELCOME STEVE BROWN

At the meeting on February 24th President L.A. Rosenstock initiated our newest member, Dr. Steve Brown. Steve and his wife, the former Belita Wills of Hopewell, are new to our community. Steve graduated from MCV School of Dentistry and then joined the US Air Force to help protect the shores of Myrtle Beach from invasion. He received his oral surgery training in Texas and spent a few years in Boston in a group practice. After seeing the folly of his ways has moved back to Virginia. His office is in Chesterfield and he is presently residing with Belita, son David-6 and daughter Stephanie-8 in Enon. We give a hearty Kiwanis welcome to Steve
