Officer Dave Derringer Speaks on Personal Safety

The Chester Kiwanis Club welcomed Office Dave Derringer from the Chesterfield police force on August 17th. He gave a very informative talk on how to avoid becoming a victim of a crime and what to do if confronted with a potentially dangerous situation. He stated that we should become more aware of the situation around us and that nothing monetary is worth risking physical harm. Office Derringer also explained the differences between mace and pepper spray. He recommended pepper spray that is readily available at many local stores. The pepper spray is made from oil of cayenne pepper and is more effective in stopping an attacker.

Thanks to Dan

Special thanks to Dan Hill for arranging our recent great programs. There is a lot more going on in Chesterfield County than I had ever imagined.

Brave's Baseball Game Outing

If you signed up to go to the Braves game in August and have not paid for your ticket, please see Bill Rhea. Bill reserved and paid for the tickets and is out about \$32.00. If you signed up, whether you went or not, please remember you owe Bill \$4.00

SECRETARY WANTED

The Chester Kiwanis Club is looking for a motivated member who would be willing to take over as secretary of the organization. The job requires a few hours a month filling out forms and letting the Capital District and Kiwanis International know what we are doing. There are many past secretaries that would be available to help you with the position. If you are interested please let Bill Rhea or Rick Dodson know.
