12th - TBD

Summer is coming on and traditionally attendance drops to a lower level. This summer is different than previous ones because we now have to give HoJo's a 20 meal guarantee for each meeting OR we must pay a set up charge!

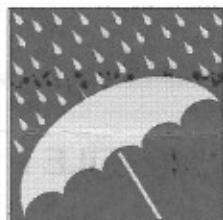

(Charge could run as high as \$75 per meeting) Also when we have those special programs we like to have a good turnout so as not to embarrass the speaker nor the club. We have some options to regular dinner meetings: members could volunteer to host meeting/cookouts at their homes during the summer months (we can cancel out of Ho-

Jos's for those dates); we can plan other activities for Wednesday night (service projects, etc.); or have catered dinners at other locations. Give us your ideas and we'll propose them to the membership. We need to give HoJo two weeks notice so share ideas as they germinate.

Take a well deserved break for the summer!

Start back up in September 1996

We did it right again! The rain was all around the the Spring Fling but not during it. Over 1100 tickets were sold. Total count should be in in a couple of weeks. Thanks to Jim Ramsey who hosted the Spring Fling Wrap up Party . And thanks to those hardy 20 who braved the rain and

attended. The tee shirts did not move as expected because most attendees didn't carry extra cash since the ticket price covered everything. At the Fall Fling and next years Spring Fling we will tell them, in the flyer, that tee shirt will be available. Thanks for everyone's help in making this a huge success.
