KIWANIS CHRISTMAS 1996

Our newest project to produce a series of Christmas ornaments depicting historic chester landmarks is being enthusiastically received by all who have seen our first offering, the 1996 ornament of Chester Presbyterian Church. This has the potential to be an extremely successful fund raiser. advertising posters and order forms have been placed with local merchants and at the four churches. Each Kiwanian needs to show and make available one of the order forms (enclosed) to friends. Successful sales the first years will dictate our decision to depict other historic sites in the future. We must place our order by mid summer. The most effective means is to pre-sell. Take their money and submit orders to Buck and Guy. Do it now! Thanks for your support.

Take a well de-
signed break for
the summer!

Have a Happy, Safe 4th! Enjoy family and friends, celebrate our nation's independence. Reflect on the freedom that we some times take for granted, freedom that many struggling 3rd nation countries may never realize. We have it good now, but we've paid a price for the right to speak our mind and select those we wish to represent us. This is a great place to live. I love it!
