This is it members, our big “fun” raiser. Hope you are all praying for good weather and selling tickets. This is an “I” effort. Each persons needs to sell tickets. Don’t expect the other guy or gal to make this a success!

## Who Comes to the Fling?

We have found it to be true that those that are not asked to buy tickets, don't attend. About 75 %

of those asked will buy tickets. Our job is to ask! Don't wait until the week or day before to ask. Give prospective “Spring Flingers” the chance to plan to attend. We need a final count by April 10, so we can inform Gardners who prepare the outstanding food. **ASK, and**
