Capital District Mid Winter Conf.

The Presidential Van will leave from the YMCA parking lot at 0530 on Saturday Feb 6, 1999. Please join the fun and ride the Interstate to Norfolk - with a knowledgeable, professionally trained van driver - to the Mid Winter Conference. A number of informative training classes are available throughout the day. [Look at recent copy of Capital Builder to select those classes which are of most interest to you] This is a great way to learn about Kiwanis through the experiences of other district club members. **Make reservations** with President Chris (alias the van driver) early - **NLT 1 Feb 99** -so we can determine transportation requirements. Let's make this the educational - social of the year. Sign up early. Rick's bringing the Ham Biscuits! It's a Southern thing, you know!

Christmas/Easter Ornaments

If you haven't already turned in your 1998 Christmas ornaments please bring them to the next meeting and give them to Buck Porter. Need to reconcile account.

Upcoming Events

What's Coming Down the Pike?

Yes Guys and Gals, it Spring Fling time. We all need to mentally get in the fun & frolic frame of mind. We missed a beat last year on this, our biggest fund raiser. At the Feb 1 meeting Chairman Dick Goyne will present a number of options for the club's consideration. We need a large attendance so we can capture the best thinking of all members. Dick wants to get the tickets out earlier this year. We need decisions at the Feb 1 meeting so we can get a jump start this year.

Joe Hillier had mentioned at the last board meeting that was a Chester Kiwanis Foundation legal snafu which caused us to take some corrective action and amend the Foundation By Laws. Kiwanis International Trustee and Richmond Kiwanis Club member Jim Kaufman will speak to the club on Feb 8, and explain what happened and where we are heading with respect to the gifted land.

Steve Miles is looking for assistance with the Terrific Kids Program. We are in need of presenters for all schools. If you are available please consider contributing a few hours a month to assist. This is a terrific program! 271-7663
