Thanks Rick!

With this issue, Rick Dodson has handed over the task of editing and publishing the Kiwan-o-gram to Phil Crow. According to the stack of old issues, Rick has been doing this job since April of '93. Please take time to thank him for all the hard work and dedication.

The new editor pledges to continue to live up to Rick's standard of excellence, as long as he can find stuff to type on the page. For this, he needs input...e-mailed, phoned, or snail-mailed ... from all members... about anything. Photo's of club events are especially welcomed, preferably via e-mail to: Killer-Crow@aol.com.

The new/old Editor

Congratulations Chris!

President Chris announced his plans to relocate to Columbia, South Carolina at the end of his term in September. Chris will be building a new YMCA very close to his hometown near friends and relatives. While this is great news for Chris, he will be missed by friends, neighbors, and co-workers alike. Not only will the club lose the benefit of a strong leader, we will need to find another driver to take us to local Kiwanis events. We have all enjoyed special Y privileges ranging from use of the parking lot for the Christmas parade (and free coffee and doughnuts) to meeting rooms for District Smokers. Hopefully we will retain our friendly ties with the YMCA and their community-building programs.

Our best wishes and thanks for his service to Kiwanis and the community are extended to Chris and his family throughout this new adventure.

In Case You Missed it...

Jackie Bartley of Nikken products gave an excellent presentation of advanced medical technologies, that was vaguely reminiscent of our famous Slick 50 presentation many years ago. Jackie demonstrated:

- Magnets** - harness the mysterious healing properties of natural magnetics. Shoe magnets only \$65.
- Far Infrared** - wristbands that balance the pH and restore strength.
- Sleep Technology** - a new device that reduces snoring by changing the sleeper's position. Not to be confused with those TV charlatans, this is the real thing. We all witnessed our very own Cliff Schorer, dancing like a school child, thanks to Jackie's presentation.

Youth Services/Sponsored Youth

Club sponsorship of the **Key and Keyette Clubs** at Thomas Dale will start up again at the end of August with Leadership Training sessions, the annual Back to School Teacher's Brunch, and Coke Sales at home football games. As always, we encourage Kiwanis involvement at meetings, projects, and at the Coke Shed. If you are interested in helping, contact Phil Crow or Marshall Henry.
