## President's Message

THANKS TO YOU, our club is on track to receive the Distinguished Club Award for 1999-2000. With the continued dedication and commitment from each of our members, THIS GOAL IS ACHIEVABLE! Again, I ask for your support in making this happen.

"The Opportunity is Service; The Challenge is Performance". If we meet this challenge and obtain this award we will rise to the occasion of "Serving the Children of the World" and our community. I struggle to articulate the gratitude in my heart for the tireless devotion our members bring to the Chester Kiwanis Club. **THANK YOU, AGAIN!**

We are fortunate to have Don Schroeder as our Lieutenant Governor. He is an excellent mentor! (Rumor has it that he has the unconditional support of his spouse, Jean, who adds spice and fun to his challenges.)

SPRING and SPRING FLING HAS SPRUNG! Our biggest fundraiser of the year is less than SIX WEEKS away. We want to give everyone in our community the opportunity to attend this fun filled event. Tell your friends, family, co-workers or anyone that will listen to you about it, AND ASK THEM TO BUY A TICKET

MEMBERSHIP! This is one of our biggest challenges. We have brought into our club five outstanding new members this year. OUR newest member, Nicole Jordan, has not let her feet touch the ground since she became a member. Her energy and enthusiasm are outstanding and most of all she is having fun and enjoying herself while making a difference. This is what it is all about.

MAY YOU WALK IN SUNSHINE AND GENTLE BREEZES.

*Eleanor Lee*

*In case you missed it..*  
Eight members attended the March 27th Interclub with Central Chesterfield. President **Dave Jones** accepted a "Certificate of Being Missed" from our club. Dave is a former member of our club, and we wish him well in his efforts to turn the Central Chesterfield club around.  
About ten members attended the **Potato Sacking** project on April 1st. This was an excellent community event, and it was good to see so many members and spouses turn out. Someone estimated one bag of potatoes for each volunteer!  
The **Thomas Dale Keyettes** returned from convention with four national offices, including International President, won by **Carly Mohler**. Kiwanians **Crow** and **Henry** returned as well...bruised and battered, but still smiling.  
The club celebrated the 28th anniversary of the organization of our Kiwanis club on March 29th. Wouldn't it be great to celebrate **Charter Night**, June 3, with a Spouse's Night?

**IODINE DEFICIENCY PROGRAM**  
**SKIP A MEAL** is a worldwide demonstration of Kiwanis-family service. Members all over the world will show their support for children by giving up one meal. The cost of the meal skipped will be used to help fund the Worldwide Service Project to eliminate the leading cause of preventable mental retardation from the face of the earth: iodine deficiency disorders (IDD). Skip your May 1 club meeting meal and contribute the cost of that meal to IDD.

**Kiwanis Object #5:** To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

**FLING NEWS**  
Ticket Chairman **Steve Miles** is in the process of handing out tickets. If you need more, contact him at 271-7663.  
Project Chairman **Rick** should have a work assignment board for the day of the event. Please be thinking of what you can do for your Kiwanis Club!  
The Prize Committee has done an excellent job of procuring outstanding door prizes this year (especially the "Eight Lap Drinking Experience".) This should make selling tickets even easier.  
Great job!
