PRESIDENTIAL VIEW

Fellow Kiwanians,

There are several important milestones this month in our Kiwanis life. Most important, we have gained two new members. Lewis Corde has been a resident of Chester for 30 years. Lewis and his wife Jackie have one son, Chris. We thank Bob Cassada for bringing Lewis into our club. Forrest Malcomb has been a resident of the area for over 20 years. Forrest and his wife Anne have one son Paul. Forrest was sponsored by Danny Wyatt. Be sure to introduce yourselves to these new members and welcome them into our Kiwanis Family. New members mean fresh ideas, and new faces for our club activities.

This is an important month for fundraising as well. Please be sure to pick up your Spring Fling tickets as soon as they are available. Thanks in advance for your outstanding salesmanship. Thanks also to those members who signed up for Bizarre Bazaar. These two events allow us to fund our community service and administrative accounts.

The club celebrates 30 years of community service this month. Be sure to sign up for our special anniversary dinner on the 25th. We will sit and reflect on the activities and personalities of the club over the last 30 years. We will also celebrate the future. With new members and continued successful fundraisers, we will begin writing the next 30 years of club history. After all, we're the Kiwanis. Our Motto is "We Build."

Colonial Heights Interclub - March 4, 2002
 We were honored by the presence of members of the Colonial Heights Club for and interclub on March 4th.

Key and Keyette Clubs

Our Key and Keyette Clubs are at full throttle again. Both clubs have recently elected new officers, and are looking forward to full representation at their respective conventions. The clubs will have a Lock-in at the Chester YMCA on March 16th-17th (St. Patrick's Day). Our club reported an interclub with the Key Club on Feb 27th with members Henry, Stewart, Crow, and Jordan attending.

Both clubs appreciate the sponsorship, guidance, and continued support of our

Operation Smile

We are half-way to our goal of \$750! Thanks to those members who continue to give most generously. We will be collecting pocket change (and more) at meetings .. give all you can. Our donation will make a difference in a small child's life.

The Hotel Property

Once again the Hotel Property is ready for Spring. We may (or may not) have another opportunity to whack some weeds before spring is sprung and the growing season returns. Keep your ears open for another date. Once the growing season begins, our partners in the County Parks will help us by spraying some of the brambles and briars which cause so much problem.

Rumor has it that our Whacker-driver Dayton was nearly sucked into the mire last weekend! The tractor got stuck in some sort of quick-sand and was headed for China. Luckily the tractor's owner was able to pull it out with some chain and a really big truck.

Don't miss the excitement of the Hotel Property clean up. The next phase is coming soon.
