PRESIDENTIAL VIEW

Fellow Kiwanians,

In my new position I have already learned that I am not
to be confused with "The Great Communicator". My
apologies to those who did not get the word regarding
the cancellation of the Oct. 21st meeting. A reminder to
each of us to thoroughly review the information in the
club's yearbook. It is a daunting task to collect and distribute this infor-
mation and my thanks to those who do so.

We have several opportunities in the next several weeks of getting
together socially. On Nov. 7th we have the banquet for our Governor's
visit. The Chester Club has been challenged to once again demonstrate
our strength by showing up, so please make every effort to at-
tend...PLEASE. Tickets are in my possession. Please see DR. JOE or
myself regarding your reservation.

THE ROAD TO BEDFORD ~ On Nov. 9th there is a bus heading
west to the hometown of so many who gave their all to preserve our
country's ideals. Our cost is incidental considering the value we will
receive. Please see NICOLE about those seats. Maybe you know
someone who would enjoy this trip, bring them along. It could be a
wonderful early holiday gift!

Congratulations again to DAVID and CHRISTEN HAWKINS in the
birth of their new bundle of joy! Where are those cigars? Our prayers
and support go out to our spiritual leader DAVE LYKINS as he contin-
ues to improve. We miss you Dave and we look forward to your open-
ing our meetings with those
gracious words of inspiration and thankfulness.

Again I hope that those who did not get the word (i.e., Oct 21st
meeting) will or have already forgiven me. I will do better. Please con-
tinue to offer advice, criticism and/or praise whenever warranted, and
not just to me but to each other. Then we'll all get better.

Yours in service,

Danny

Community Service Opportunity

At the next board meeting a volunteer opportunity to assist local Public Health Officials (PHO) will be discussed. The Federal Government has directed mandatory inoculations for all residents if even one case of smallpox is identified in our area. Considerable effort from PHO will be required to discharge the medical aspects of this requirement, and numerous volunteers will be needed to man phones, direct parking, organize patient flow, provide refreshments, and otherwise support the medical teams. The purpose of this notice is to alert all members so you can be thinking about the viability of the Club's and your own individual commitment. Please express your opinions at the Nov 4th Board Meeting.
