PRESIDENTIAL VIEW

WHAT A "FLING"! WHAT A BAZAAR! WHAT A RALLY!
Congratulations to the club! Once again the Chester Kiwanis has stepped up to the plate....look at just a few things that we've done in the last couple of months.
Back to the Bazaar.....you remember the BizBaz don't ya? We participated to the extent of exceeding our goal. I think we earned over \$1,300 from these two events. Great job in coordinating and plugging us into these events Guy...and to all those who participated!

This year's Spring Fling edition was the best I've been associated with since becoming a member, (I know in years gone by rumor has it that they were grander.....those days are coming back!) The Fling is gaining new legs and new life, one day it will the event it once was again. So many thanks to so many people for making this work.....AND I have not heard a single complaint (except people did not want it to end!)The food, the music, the beer truck, the raffle, the beer truck, the auctions, the freebies, did I mention the beer truck!!!!??? Everything was great! Speaking of auctions, did ya'll know that David Hawkins and John Bernier are neighbors???? Didn't David do a great job stepping in for the late-arriving JB.....although the raffle did produce a minor disappointment on behalf of one bidder, she was saddened that Rick really did NOT come with the jacket!! By all accounts the "Fling" was a success....I'm anxious to see if the dollars from it also exceed our goal. Before you begin to think that I'm focusing too much on the money that these events raise let me clarify. Its not about the money, its about being able to do those things that benefit the community with these monies that we raise.

The Troop Appreciation Day was a very good idea and the Chester club was well represented in attendance and support. A big thanks to John Frye in helping us to get involved and show support for the troops. Its safe to say no one who came could complain of not having enough to drink! There were many things that prevented this event from being the huge success we had hoped. Maybe the greatest accomplishment of this was to give birth to joint ventures in the future with other local Kiwanis clubs. I understand that this is the first time that four clubs had attempted anything together, assuredly it will be the first of more to come.

Last month we inducted three new members, this month we are to induct John Holladay (a new member proposed by one of our newest members, Roy Wallace). I kinda feel like a grand-parent since I nominated Roy and now he has brought John.....I've also received two emails from people interested in Kiwanis. We are being noticed and we are on the move!!!!

Yours in Service,

Danny

Know Your Kiwanis

History ~ The first Kiwanis club was organized in Detroit, Michigan, USA on January 21, 1915. A year later the Kiwanis Club of Hamilton, Ontario, Canada, was chartered, and Kiwanis International grew rapidly into a leading service club in these two founding nations. In 1962, worldwide expansion was approved, and today Kiwanis clubs are active in every part of the world.

Motto "We Build."
