## President's Comments

Isn't it wonderful to see so many fresh new faces? New source of ideas, project help and new friends. All we need to do is just ASK. I'll bet that there are many more men and women out there just waiting for someone to give them an opportunity to serve their community. On that note, let me , again, welcome Holly Flores, Taylor Mundy and David

Elswick as new members in our Club.

It was very nice to have hosted an Interclub from the Downtown Richmond Club - a first. Steve Miles continues doing a terrific job with our Interclub Program. I know that those of you participating are enjoying the fellowship.

Do your very best to support Tom Williams and our Spring Fling effort. We have a lot riding on the success of this project. Every member needs to plan on helping the day of the event. See you there! Joe.

"SERVICE IS OUR COMMITMENT; FUN & FELLOWSHIP OUR REWARD!"

Several committee seats from our region are still vacant, and it is vital that we fill them in order to make the District Reshaping initiative work as designed. SPRING FLING

By the time you get this issue we will have approximately 9 days until the Spring Fling. I hope you have been selling those tickets because that is the greatest personal impact and contribution you can have on the success of this event. All the preliminary work has been done. It is crunch time and traditionally the Chester community

"wakes-up", in late May, to the fact that Spring Fling is coming soon. Be there when they wake up or better yet, wake them up by asking them to purchase their tickets. Only advanced tickets sales guarantee dinner and all the trimmings. We must tell the caterer by Tuesday May 31st how many meals he should prepare for the Friday event. All gate admissions ("walk-ups") are eligible for music, drinks and participation in the silent and live auctions only! Concession food, for purchase, will be available from 7:00 PM on for those gate admissions. Don't count on someone else to make this a success. Ask, ask, ask and then sell, sell, sell!
